

## Students Plus Program

*Students Plus* is an after-school program for Crawford high school students. The program offers homework help, mentoring, field trips to local San Diego sites, outdoor adventures, a photography class, newcomer tutorial, girls group, college prep, CAHSEE prep, sports, and games. It is a good way for students to meet new people, learn more about their new city, learn about college and job opportunities, and be successful in their high school classes.
