

## IRC Free Tax Program

If you have a job, each year you will get a **W-2 form** from your employer (normally sent in January). Save these forms and contact IRC and we will do your taxes for *free!* In 2006, we helped our clients get over \$100,000 in refunds. All of the taxes are done with a computer and filed electronically to limit mistakes. IRC can do your taxes either by appointment or during set walk-in tax prep times. This program is open to all refugees, so even if you are not an IRC client, we will still do your taxes for free.
